Traditional Artisan Show September 11th & 12th

This show will exceed your expectations!

Prepare to be amazed at the level of quality in these creations by America's very best traditional artisans. You are invited to see and meet more than 40 artisans and their incredible handcrafted treasures, gathered together here in Bucks County for this exclusive show. Come and see your favorite returning artists along with many more new ones. This preview show is the first in a line of fall/winter shows and will give you an exclusive opportunity to purchase their new creations.

**Museum-quality
artistry from some
of the country's most
respected artisans.**
